

November 5, 2009

Carol Melvin, RHIA
Mississippi Health Information Management Association
71 Joshua Drive
Hattiesburg, MS 39402

Dear Carol,

I am very pleased to acknowledge the generous gift from the Mississippi Health Information Management Association to the 14th annual AHIMA Foundation Not-So-Silent Auction at the 2009 AHIMA Convention in Grapevine, Texas. Such enthusiastic support of the Auction enabled the Foundation to raise approximately \$30,000 for our Merit Scholarship Program.

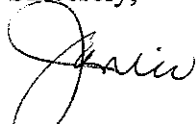

This letter is a formal acknowledgement to the Mississippi Health Information Management Association for the gift of "A Sampling of Mississippi," valued at \$259.00. The item sold for \$235.00.

90% of value! Yeah!

This Auction donation from the Mississippi Health Information Management Association was recognized in a number of venues: in the 2009 Convention Program distributed to all Convention attendees (for those entries received by the publication deadline); on signage at the Auction; on the Convention web site; and on the Auction bid sheets. The AHIMA Foundation will also acknowledge your generosity in a listing of Auction donors in our 2009 Annual Report.

Thank you, once again, for facilitating the gift from the Mississippi Health Information Management Association to the Foundation through the Not-So-Silent Auction. I look forward to working with you again next year for the Not-So-Silent Auction at the 2010 AHIMA National Convention and Exhibit in Orlando, Florida.

Sincerely,

Janice M. Mackovitch
Manager of Annual Giving

*Great job!
Nice to meet you. M. also.*

The AHIMA Foundation (formerly the Foundation of Research and Education in Health Information Management) is the 501(c)3 charitable affiliate of the American Health Information Management Association (AHIMA). Contributions to the AHIMA Foundation are tax deductible to extent permitted by the law.
