Mississippi Health Information Management Association

Mississippi Health Information Management Association, an affiliate of AHIMA, is the state's only organization representing health information management professionals. The organization is comprised of managers, coders, HIPAA experts, and consultants who manage clinical data, privacy, security, reimbursement and technology.

Sponsors are Vital to the Success of MSHIMA!

Because sponsors are vital to the success of MSHIMA we have organized our sponsorship program with you in mind. We have designed a contribution selection sheet outlining the various opportunities to support MSHIMA.

Our Annual Meeting is scheduled for June 17-19, 2009 at the Lake Terrace Convention Center in Hattiesburg, Mississippi. Make sure to reserve your space now to exhibit as a vendor at the conference.

Again, MSHIMA would like to thank you for your past and future contributions to our association. We invite you to become one of our Corporate Sponsors and look forward to furthering our business partnership in the future. Please contact Karen Stuart at 601.943.8038, if you have any questions or comments.
